

Summary

InCommon Working Group

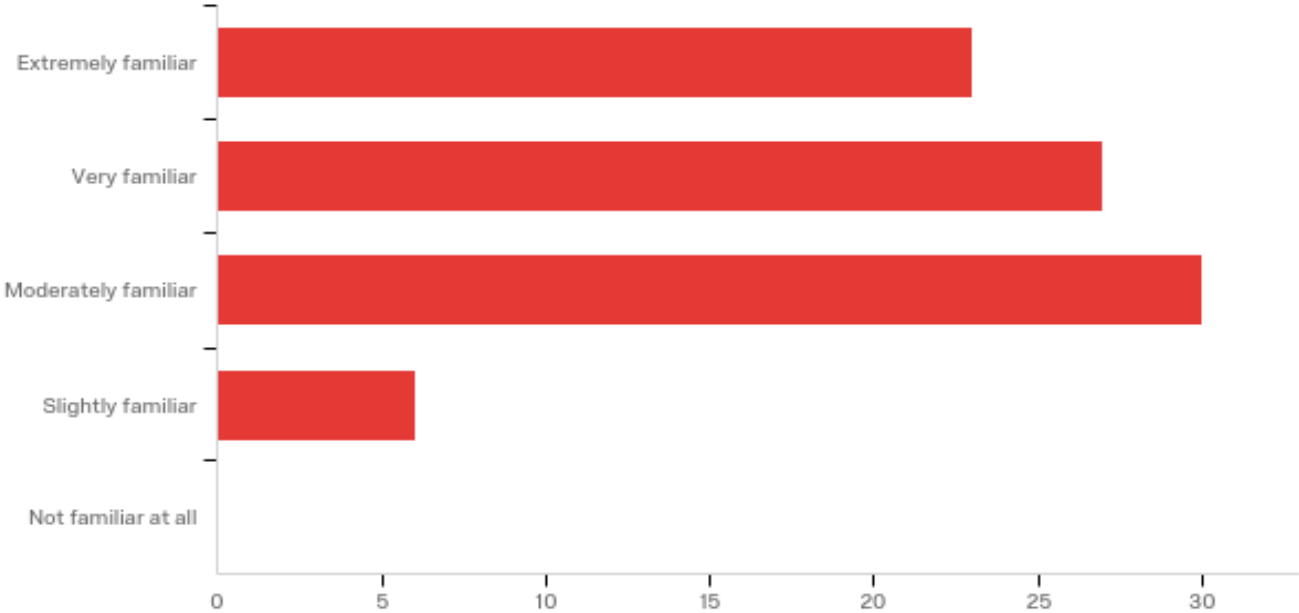

February 1st 2018, 9:32 am PST

Q1.3 - Is your institution currently a member of InCommon?

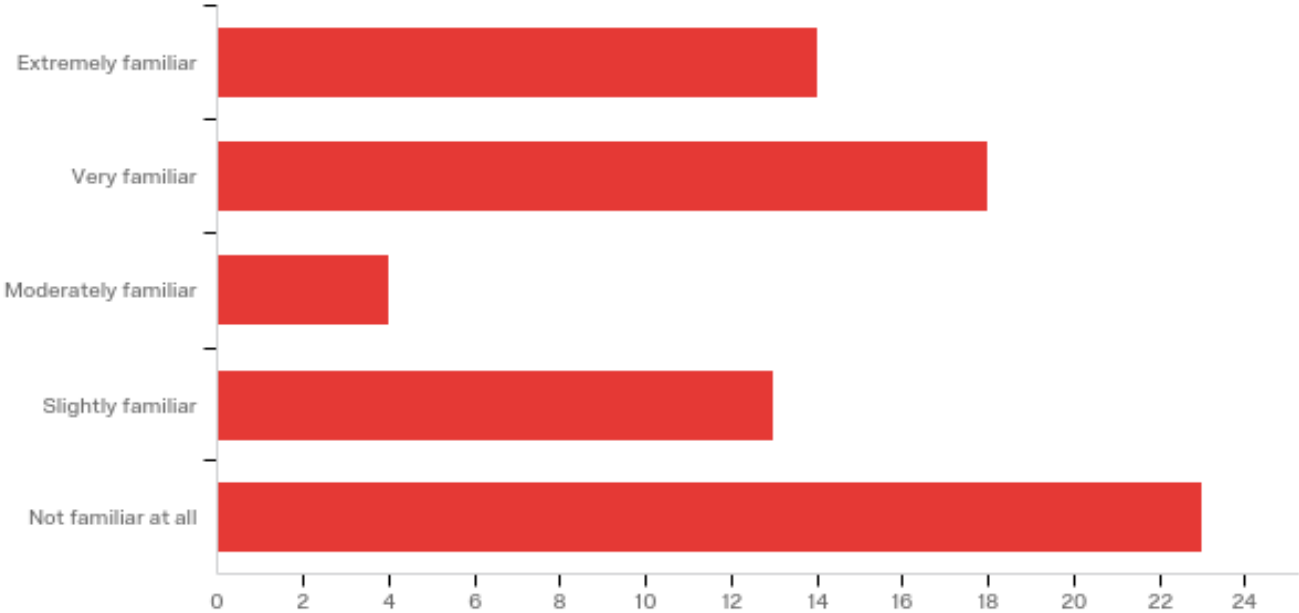

#	Answer	%	Count
1	Yes	97.67%	84
2	No	2.33%	2
	Total	100%	86

Q1.4 - How familiar are you with InCommon?

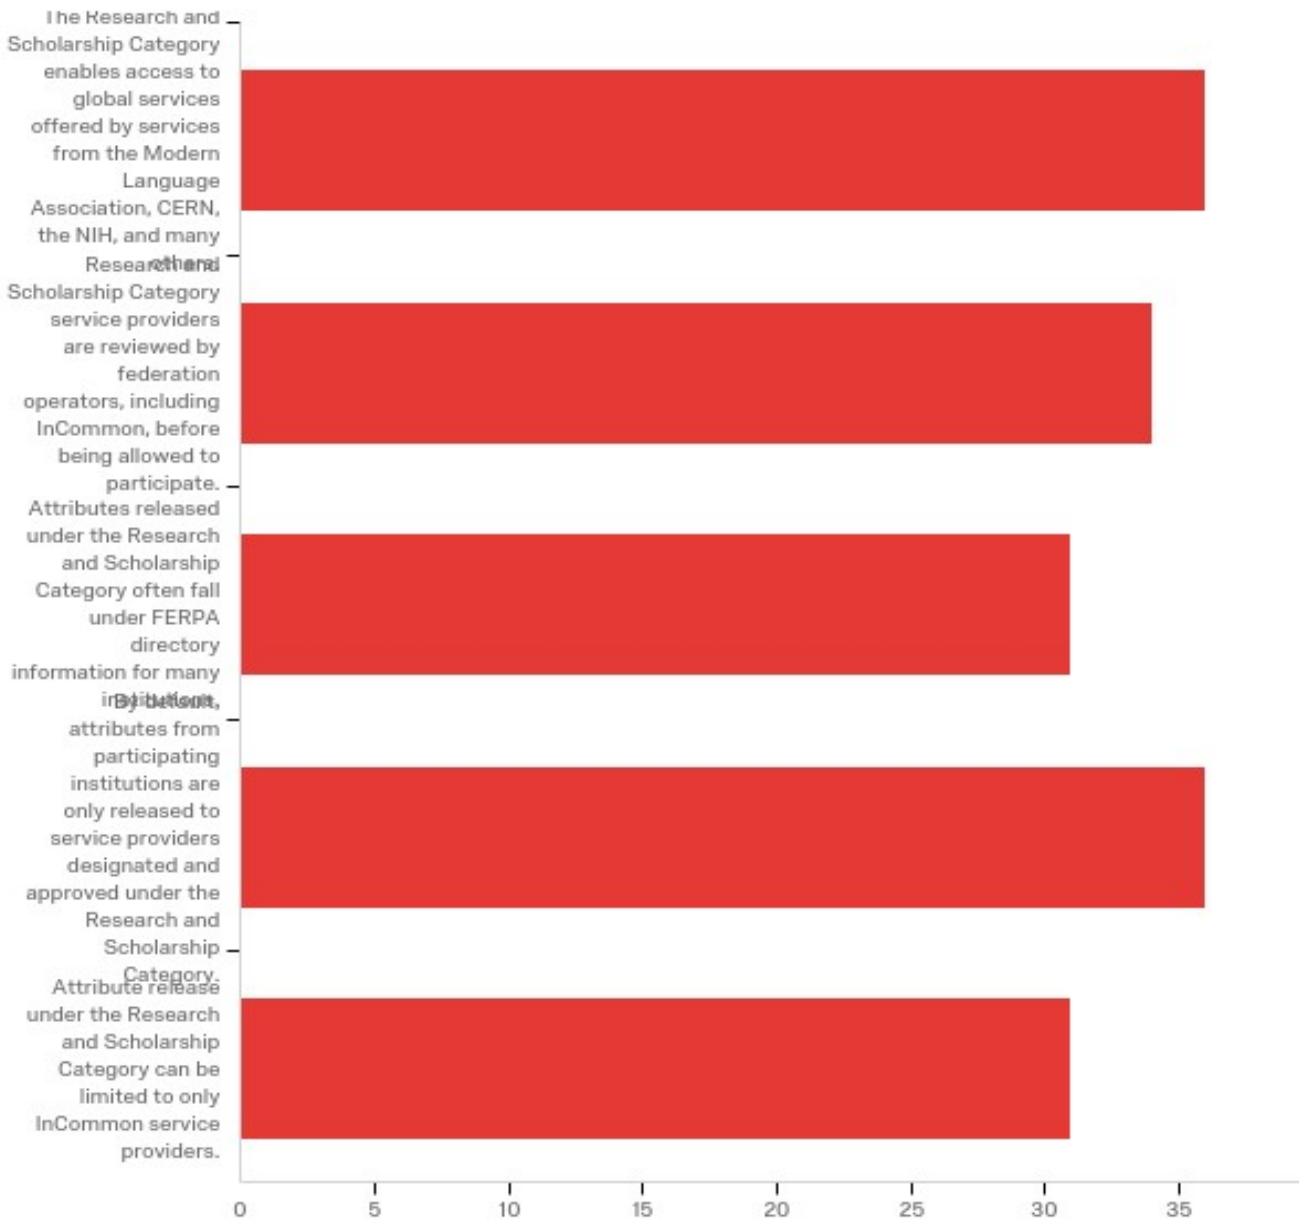

#	Answer	%	Count
1	Extremely familiar	26.74%	23
2	Very familiar	31.40%	27
3	Moderately familiar	34.88%	30
4	Slightly familiar	6.98%	6
5	Not familiar at all	0.00%	0
	Total	100%	86

Q2.1 - How familiar are you with the Research and Scholarship Category?

#	Answer	%	Count
1	Extremely familiar	19.44%	14
2	Very familiar	25.00%	18
3	Moderately familiar	5.56%	4
4	Slightly familiar	18.06%	13
5	Not familiar at all	31.94%	23
	Total	100%	72

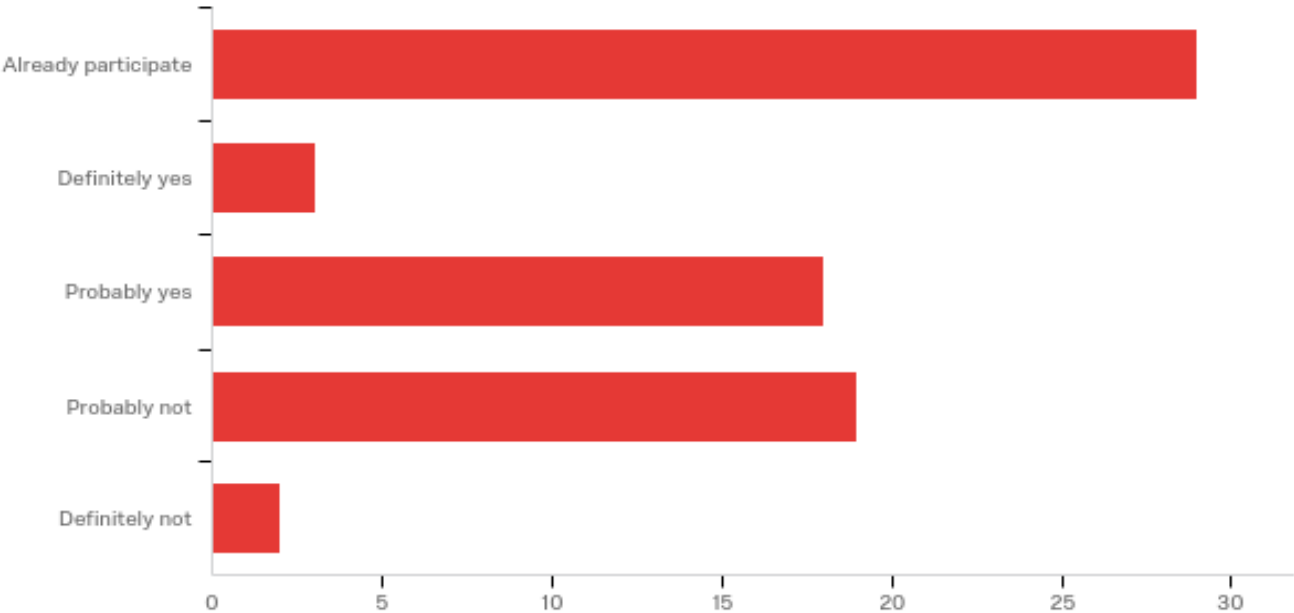

Q2.2 - Check all that you knew prior to this survey about the Research and Scholarship Category:

#	Answer	%	Count
3	The Research and Scholarship Category enables access to global services offered by services from the Modern Language Association, CERN, the NIH, and many others.	21.43%	36

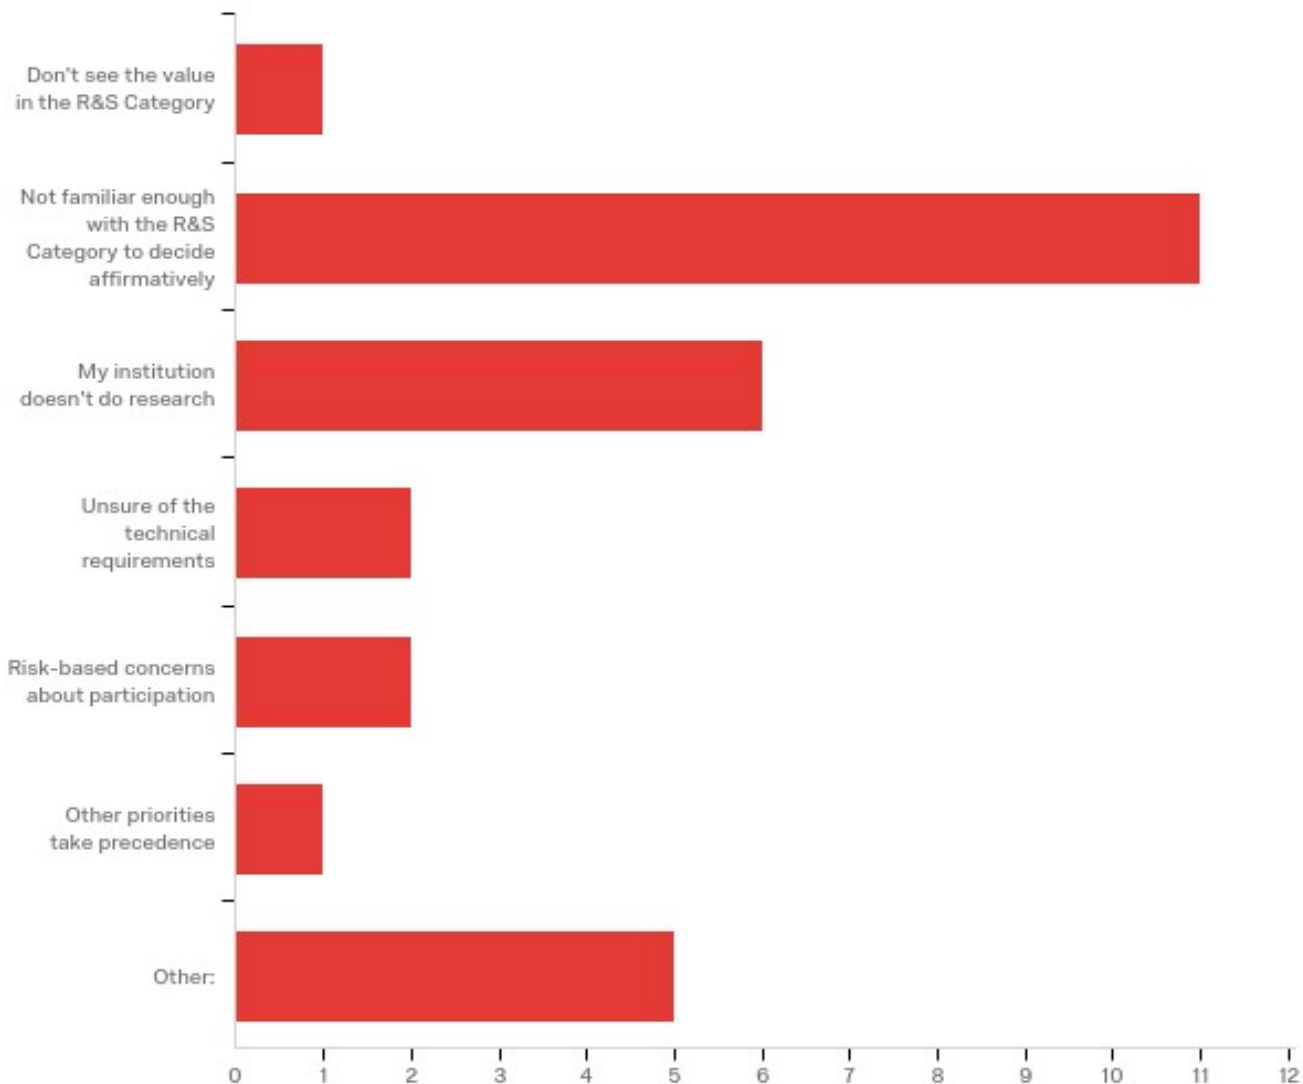

1	Research and Scholarship Category service providers are reviewed by federation operators, including InCommon, before being allowed to participate.	20.24%	34
2	Attributes released under the Research and Scholarship Category often fall under FERPA directory information for many institutions.	18.45%	31
6	By default, attributes from participating institutions are only released to service providers designated and approved under the Research and Scholarship Category.	21.43%	36
4	Attribute release under the Research and Scholarship Category can be limited to only InCommon service providers.	18.45%	31
	Total	100%	168

Q2.4 - Does your institution already participate or is it planning to participate in the Research and Scholarship Category?

#	Answer	%	Count
5	Already participate	40.85%	29
1	Definitely yes	4.23%	3
2	Probably yes	25.35%	18
3	Probably not	26.76%	19
4	Definitely not	2.82%	2
	Total	100%	71

Q2.5 - Why not? (select all that apply)

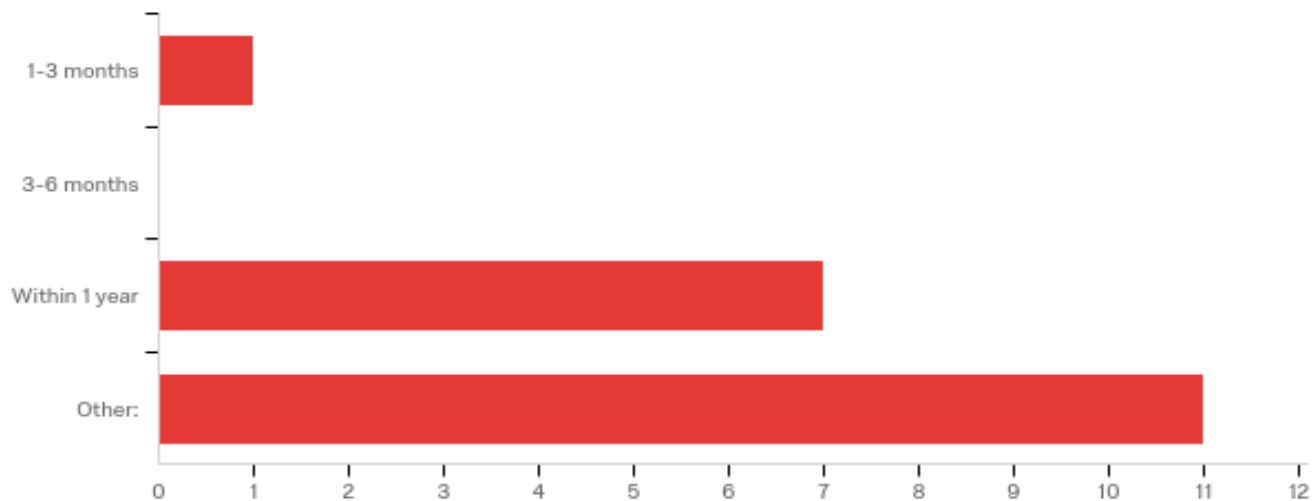

#	Answer	%	Count
1	Don't see the value in the R&S Category	3.57%	1
2	Not familiar enough with the R&S Category to decide affirmatively	39.29%	11
3	My institution doesn't do research	21.43%	6
4	Unsure of the technical requirements	7.14%	2
5	Risk-based concerns about participation	7.14%	2
6	Other priorities take precedence	3.57%	1

7	Other:	17.86%	5
	Total	100%	28

Other:

Other: - Text
we are not eligible
LabArchives resources not available anonymously.
No faculty interest in this program
I don't think we were aware of this at all, so I don't know if there is interest on the company level.
We're not a traditional "research" institute, though we do some.

Q2.6 - When do you expect to join the Research and Scholarship Category?

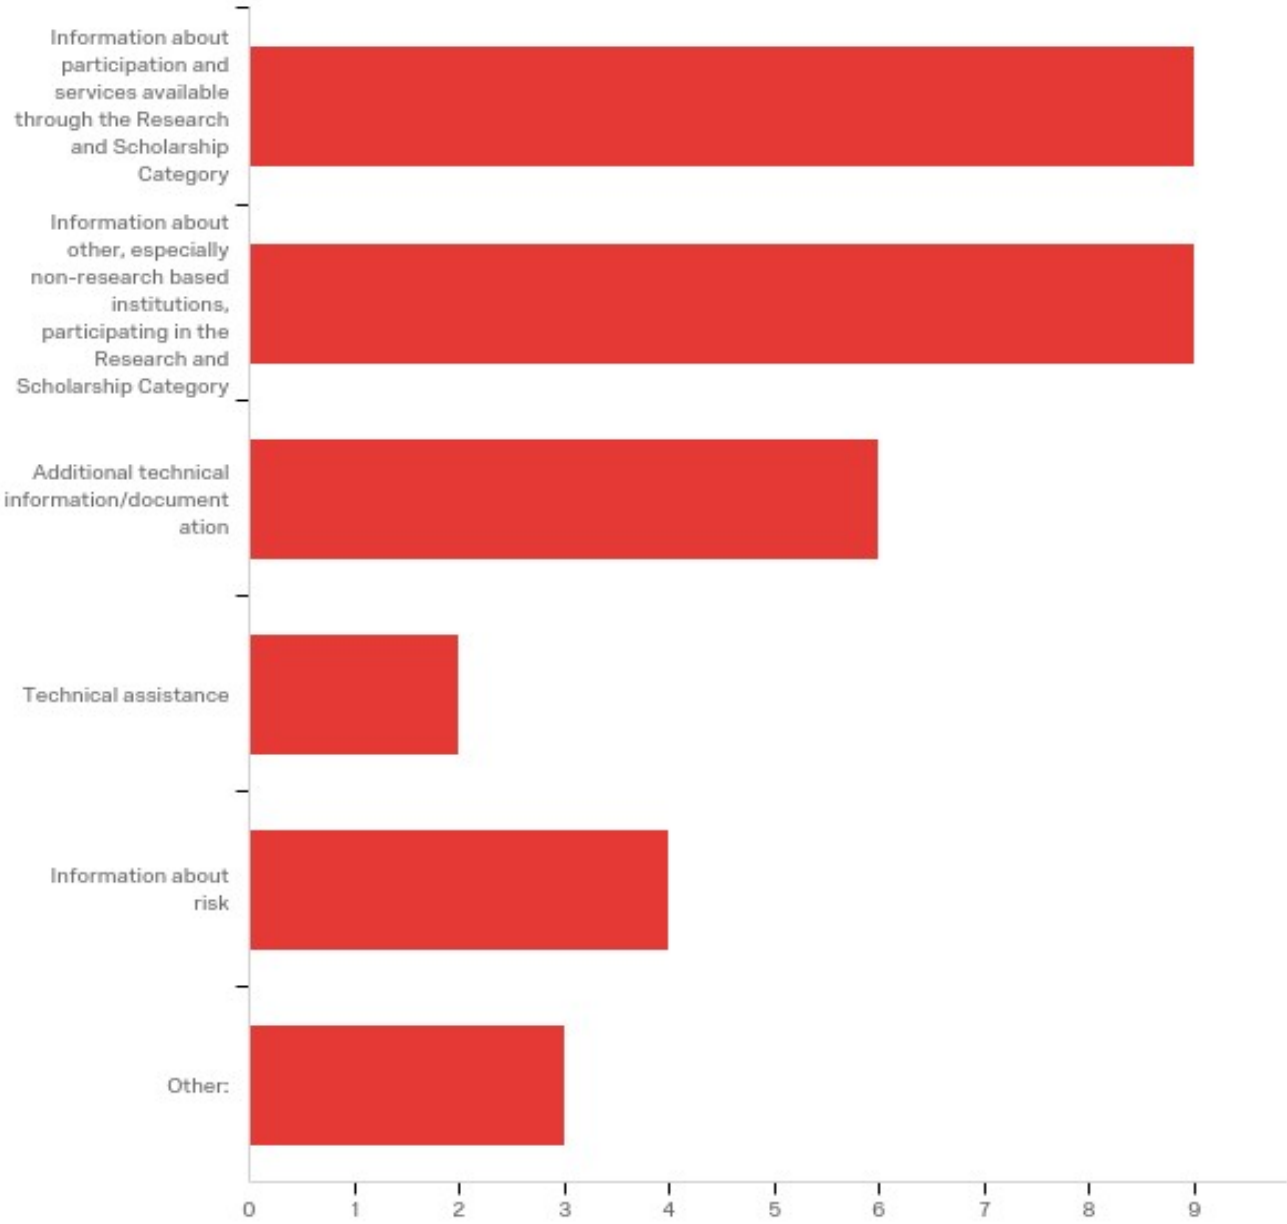

#	Answer	%	Count
1	1-3 months	5.26%	1
2	3-6 months	0.00%	0
3	Within 1 year	36.84%	7
4	Other:	57.89%	11
	Total	100%	19
